## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-22 are allowed.
2. In the examiner's opinion, it would not have been obvious to a person of ordinary skill in the art to separate individuals of a poker skill tournament by their positions on the tables and give them identical cards for the purpose of eliminating change as described in independent claims 1 and 12, "providing cards to said individuals over said network such that individuals assigned to positions with the same label at each table have the same cards". The art of record do not separate tournament participants into groups of similar cards, all teachings found teach of giving everybody the same cards and treating all participants equally.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
